Our inspirations for your Christmas gifts

Christmas is almost there and the search for the right gifts will soon begin. Some people like to wander down the high street and search out presents for their nearest and dearest. Others prefer to send gift cards so that the recipient can choose something for themselves. Sociologist Marcel Mauss once discovered that every giver gives a piece of themselves with their gift, disclosing a lot about themselves. Inspired by this, Susanne Kaufmann has put together a couple of ideas for gifts.

Advent Calendar

The 24 elegant, white boxes of the Advent calendar from Susanne Kaufmann contain everything you need for a relaxed time in the run-up to Christmas, allowing you to indulge yourself with moments of peace and contemplation in this often stressful Christmas period or simply be good to yourself. To help you out, Susanne Kaufmann has put together an exclusive selection of skin and hair care products for her and him. 24 moments of beauty, relaxation and, of course, anticipation!

Body Oils Gift Set

Plant-based oils have been used to heal and care for the skin for millennia. Natural oils are very similar to the skin's own lipid structure. For this reason, they are absorbed very well by the skin, providing intensive nourishment. They are nature's gift for beauty. This is why the body oils have been redesigned and the set offers an overview of its treasures.
