NEW Susanne Kaufmann Rose Water Mist

Susanne Kaufmann™ introduces the new Rose Water Mist. Known for its aromatic properties used in Susanne Kaufmann Spa treatments, the Rose Water Mist will now join the permanent Susanne Kaufmann™ skincare collection.

Featuring Damask rose, which is rich in natural antioxidants and skin-healing vitamins, the Susanne Kaufmann Rose Water Mist moisturizes, soothes and calms irritation of the skin. With its ph-neutralizing properties and active ingredients, rose water can be used on all skin types. For mature skin, rose water strengthens skin's elasticity, helping to minimize signs of skin aging. Rose water is suitable for skin experiencing break-outs, and it supports the healing of the skin, thanks to its antibacterial and anti-inflammatory properties.

Susanne Kaufmann's personal tip:

Keep the Rose Water Spray in the refrigerator to experience an even more intense cooling effect. The Susanne Kaufmann™ Rose Water Mist can be applied throughout the day, under or over the make-up.
